

Kicking Off the Festive Seasons with Rewards & Recognition for Our Star Performers

As the third quarter of the year begins, it was time for a pat on the back of our star performers who went above and beyond their assigned 'tasks' to take up new challenges and set new standards of excellence. An inspiring speech by the CEO lifted everyone's spirits on this occasion. We are proud of our team and truly believe in growing together and striding forward towards our vision. Congratulations and kudos to the winners!

Making Strides on the Business Front

Successful pilots with big names in the business world

Implementation with large Fintech initiated, where we are writing connectors for SAP

Sparkling Lights, Happy Faces and Festive Cheer at Asti Premises

As the festival of lights brightened up the city, how could Asti office be left behind. Team Asti decorated and brightened up our office premises with much fun, bonhomie and lively chatter. It was a joy to witness everyone in their best festive attires, lighting up crackers, creating memories and warmly celebrating Diwali together!
